

# Ebates for Online Shopping

Have you tried Ebates yet for [online shopping](#)? It is a free website that actually pays you cash to shop. Instead of points, you get a specific percentage of cashback with each purchase. Different stores offer different percentages of cashback. Unlike many other online shopping sites, Ebates included stores ship to Canada as well as to the USA.

Participating stores include Old Navy, Amazon, Forever 21, Microsoft, Dyson, Lululemon, and many more. Over 750 stores to choose from, with many of your favourites included.

What are you waiting for? Try Ebates today, to finish (or start) your [Christmas](#) shopping. [Membership](#) is free and easy to set up.

**Update:**

Ebates is now called [Rakuten](#). The premise is the same as are the rewards. Basically, you get money back for buying things you may or may not need. Online shopping has become so convenient, especially with longstanding [pandemic restrictions](#). It certainly doesn't hurt when you are rewarded to shop with money back with every purchase.

Try it today to discover how easy it is to both spend and earn money. It seems counterintuitive, but if you limit your shopping to things you were planning to buy anyway, it makes sense to do so using a reward program like Rakuten.
